Notes

The exit assessment provision is designed to provide a record of recognised achievement for students who leave school in the second half of the year or who have made a subject adjustment as a result of counselling after enrolments have closed.

Each subject teacher is asked to declare that the student has satisfactorily completed (i.e. achieved a C grade or better for Community Studies and/or a C- or better for other 20-credit Stage 2 subjects) approximately half the program and assessment, reflected in the learning and assessment plan.

For 20-credit Stage 2 enrolments, schools use, after the Stage 2 enrolment cutoff, the 'W' facility on the results sheet and submit this form to the SACE Board.

Subsequent re-enrolment in and completion of the same subject in another year will cancel the recognition granted for that subject.
